RE: Silo 3 Completion Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) project completion report for the Operable Unit (OU) 4 Complex Silo 3 Decontamination and Dismantlement (D&D) project.

This completion report for the OU 4 Complex Silo 3 is technically adequate and consistent with similar reports. Therefore, U.S. EPA approves the project completion report for the OU 4 Complex Silo 3 Decontamination and Dismantlement (D&D) project.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,
